

Poetry Scavenger Hunt

Since April is National Poetry Month and School Library Media Month, we are going to celebrate by having a Poetry Scavenger Hunt. Your team is to read through the available poetry books and find a *good, interesting, high-quality* poem that matches each of the categories that follow. Don't just choose the first poem you find that matches that category—read several and choose the best one. Several of the categories are based on events or observances taking place this month.

- ❖ **Sports** (National Youth Sports Safety Month)
- ❖ **Nature** (Earth Day in April)
- ❖ **Books/Reading** (National Library Month)
- ❖ **Funny/Jokes** (April 1st)
